## Texas Association on Mental Retardation

### Policy and Procedure for Student Member Sponsorship

TAMR will accept Student Member Sponsorship applications throughout the year. The application will be available through the TAMR website, at TAMR events, faculty recruitment, and upon request from the TAMR Headquarters.

A committee of three, to be chaired by the Membership Chair and to include the Treasurer, will review the applications and select applications to receive the Student Member Sponsorship. The number of applications selected to receive the sponsorship each year will be based on the approved budget for such. Selected applicants will be notified in the month of January each year. The committee will request the selected applicants to complete the AAMR membership form.
