Commitment to our community

Molina Healthcare of Texas provides government-sponsored care for qualifying individuals. Our mission is to improve the health and lives of our members by delivering high-quality health care.

Molina builds upon our mission through our commitment to partnering with local providers and community-based organizations to best meet the needs of the communities we serve.

Community events & programs

- Mindfulness Matters: A Stress Relief Event, hosted by Molina Healthcare of Texas, brought communities across the state together for a powerful day of relaxation and reflection. Participants engaged in guided meditation, breathing exercises, and practical techniques to manage everyday stress. The event created a calming space where attendees reconnected with themselves and left feeling refreshed and empowered.
- Texas Tech Health El Paso and the Kelly Center for Hunger Relief, in partnership with Molina Healthcare of Texas, hosted a community health fair offering free health screenings, dental resources, cancer prevention information, and more. One of the event's highlights was an interactive presentation, educating attendees on colorectal health in a fun and engaging way. Families enjoyed a day filled with valuable health insights, local resources, and wellness-focused activities.

DME & Medical
Supplies*

OT/PT/ST*

Durable Medical Equipment and Medical Supplies

Medicaid is the payor of **first** resort for **covered** DME and Medical Supplies

The [Texas Medicaid Provider Procedures Manual \(TMPPM\)](#) DME Handbook is essential in knowing what is covered and not covered based on program and age of the person

Managed Care Organizations cannot provide administrative denials for non-covered items

The MCO Service Coordinator does not make any approval or denial decisions

DME Exceptional Circumstances Provision

Texas Medicaid is obligated to consider coverage of medically necessary DME that are not listed as benefits for members who are age 21 and older

Must be prior authorized, with the following information:

**Letters of
medical
necessity**

**Clear description
of the item**

Diagnoses

Rehabilitative Therapy: OT/PT/ST

Maintenance/ongoing therapy is no longer covered once a person turns 21

STAR+PLUS will cover rehabilitative therapy if there is an acute need

IDD Providers do not need a denial from the MCO for maintenance/ongoing therapy

Long-Term Services and Supports (LTSS)

Community First Choice

Day Activity Health Services
(DAHS)*

Personal Assistance Services

Nursing Facility Services

MCO Responsibilities for DAHS

Traditional DAHS is available to people enrolled in STAR+PLUS or STAR+PLUS HCBS through their MCO except for those enrolled in an IDD Waiver

DAHS-ISS is not a benefit of the STAR+PLUS program

DAHS is not allowed for people who live in an ICF/IID group home

The MCO *only* coordinates and authorizes traditional DAHS for those members who are non-waiver or on the STAR+PLUS HCBS program

HCBS-STAR+PLUS Waiver Program (SPW)

- ❖ Some individuals could be eligible for the SPW program
- ❖ This is based on a medical-necessity level of care (MNLOC) vs an ICF/IID level of care

Available Services:

- Personal Assistance Services
- Nursing Services
- Adaptive Aids/Medical Supplies
- Minor Home Modifications
- Therapies: Physical, Occupational, Speech and Cognitive Rehabilitation
- Assisted Living
- Adult Foster Care
- Home-delivered meals
- Dental Services
- Transition Assistance Services
- Respite Care
- Employment Assistance/Supported Employment

Services not available in STAR+PLUS

Any service offered within the Medically Dependent Children (MDCP) waiver program

- MDCP offers traditional waiver services (respite, MHM/AA, nursing) not offered within the STAR+PLUS healthcare services array

Applied Behavioral Analysis (ABA)

- This service is only offered from ages 3-21

Private Duty Nursing

- Not a service offered after a person turns 21

DAHS-ISS

- Traditional DAHS is only available through the MCO if the person is not a waiver program

Dental

- Medicaid no longer pays for dental treatment once a person turns 21. Most MCOs will offer dental through a value-added service

Maintenance/Ongoing therapy

- This service is no longer available after a person turns 21. STAR+PLUS may cover acute therapy if medically necessary due to a significant change in condition

Supporting our members

Service Coordination

Dedicated IDD Service Coordination Team

- Helps member utilize full healthcare benefits
- Conducts initial, annual & bi-annual assessments, as well as ongoing telephonic contact
- Helps member access non-covered services or items
- Assists member with resolving issues, such as denied claims
- Connects member to Community Based Organizations

Our Assessment Process

Annual in person-visit required per year, and as needed

The member and their legal guardian or POA (if applicable) must be present

During the assessment process, we get to know the member by having a conversation about their:

Living situation

Cultural preferences

Recent life stressors

Health concerns

IDD waiver services

Important! Please help us in reminding our mutual members to keep their address and phone number updated with the state

Did you know?

Managed Care Organizations only receive the ***waiver type*** from the state enrollment file

The enrollment file does not contain information on services or provider information

We are limited in the information we can see in TMHP regarding IDD waiver services

Working Together!

Communication

- Monthly email sent to LIDDAs with new mutual members and Molina SC contact information

Collaboration

- Planned and as needed collaboration meetings to resolve issues faster

Education

- Host information sessions regarding the STAR+PLUS acute care benefits

Planning

- Request to be invited to annual service planning meetings (contractual requirement)

Immediate Jeopardy and Potential Threats

MCOs are notified by HHSC of Immediate Jeopardies and Immediate Threats for the following IDD programs:

- HCS/TxHmL
- ICF/IID
- DAHS-ISS*

We are only given an address as a means for identification

Required to work with the LIDDA and follow up with any of our members that are involved

Caregiver Connect Program

Molina Caregiver
Connect

English ▾

Molina Caregiver Connect

Supporting those who are tirelessly
caring for their loved ones!

Those who care for a loved one often don't call themselves a caregiver. They view their care as an act of love from a caring family member.

The Molina Caregiver Connect program offers resources to caregivers at no extra cost! Molina is working with TCARE and Trualta to provide support.

TCARE is a high-tech, human-touch approach to caring for caregivers. A TCARE specialist supports caregivers throughout their journey to help families get better care.

TCARE offers:

- Caregiver outreach and engagement tailored to assess and address caregiver needs to reduce stress and burnout
- Person-centered care plan, community resources and help navigating supports
- TCARE specialists give the right help at the right time

Learn more and get started with [TCARE](#).

Trualta is an eLearning-based caregiver support program offering learning videos for caregivers to build skills and confidence at their own pace.

Trualta offers:

- Skill-based training built with occupational therapists, nurses, social workers and geriatric care managers
- Support groups and online community for families managing care for loved ones at home
- Personalized learning based on the family situation and person being supported

Pathway to Transition

Pathway to Transition

Bridging the gap between abilities and aspirations

Transitioning from one Medicaid program to another can feel like a stressful and uncertain time. Molina Healthcare of Texas is here to support you through each phase and transition of your healthcare journey.

Being prepared to move from one Medicaid program to another is key to making sure your transition is a smooth and seamless as possible.

The Molina "Pathway to Transition" educational series will provide you with an overview and understanding of what is required for enrollment in STAR+PLUS. Whether you or your loved one transitions out of a STAR Kids Medicaid program or into the STAR+PLUS Medicaid program for the first time, this series will help you better understand that process and the options available to you.

STAR Kids to STAR+PLUS Transition Process

- When STAR Kids eligibility ends, you must complete an enrollment packet to find out if you are eligible for a STAR+PLUS Medicaid plan.
- If you are eligible for STAR+PLUS Medicaid, you will need to choose a health plan or HHSC will choose a plan for you.
- If you are eligible for a new STAR+PLUS plan, your eligibility will take effect after your 21st birthday.

STAR+PLUS services available for those who qualify

Once you are enrolled in the STAR+PLUS Medicaid program, you may qualify for STAR+PLUS healthcare services. You might also qualify for waiver services, which are determined by medical necessity.

Service Coordination is available to you when you are enrolled in STAR+PLUS. Molina's service coordination team helps members with:

- Creating a member-specific care and development plan
- Identifying physical, mental, and long-term needs
- Getting timely access to the right providers and services needed
- Providing assistance with unique challenges and needs

Ready to Enroll?

Check eligibility and apply by:

- Going online at [YourTexasBenefits.com](https://www.YourTexasBenefits.com)
- Calling the Texas Health and Human Services Commission (HHSC) at (877) 541-7905 or 2-1-1 (TTY: 7-1-1)
- Visiting a Texas HHSC benefits office near you.

To join, call 1-800-964-2777 and choose Molina Healthcare to provide your STAR+PLUS Medicaid benefits.

Additional Benefits

Value-Added Services (VAS)

Extra, Extra: Value-Added Services (VAS)

Each MCO offers their own, unique set of VAS that are services beyond the Medicaid covered benefit

Benefits are approved by HHSC each year

Helps the person in making the plan choice that is best for them

Important Information!

VAS are *not* considered non-waiver resources, therefore, waiver program providers do not consider VAS offered by the MCO when considering third party resources

Specific VAS

GED study guide for members with an IDD diagnosis

\$120 for OTC medicines and supplies

\$15 gas reward: for members to go to WIC offices, food pantries or community centers

24/7 Emergency Response Services

Dental services: up to \$250 per year for dental checkups, x-rays and cleaning

\$100 eyewear allowance: can be used for frames, lenses or contacts every two years

Home-delivered meals: up to 10 healthy meals delivered following an inpatient hospital stay

\$25 for having follow up visits after hospitalization

\$20 for mammograms for non-dual female members ages 50-74

\$30 behavioral health reward following a hospitalization due to a mental health condition

Dietitian visits

Members continue to have access to Molina's 24-hour Nurse Advice Line. However, it is no longer considered a value-added service for STAR+PLUS members.

Call (888) 275-8750 or (866) 648-3537 for help in Spanish.
